DB 925

The DB 925 delivers powerful broadband boost in a lightweight, space-saving micro housing. It's musically sculpted two band eq enhances any bass you run through it, adding body and weight to your low-end while opening your high-end. With its compact design and responsive controls, the DB 925 is a perfect gigging solution for musicians on the go.

Features:

- Discrete all-FET design
- Musically sculpted EQ w/ two bands of boost
- Compact design and heavy-duty steel construction
- 9-volt power supply required
